

Register Your Market Club Cards TODAY!

Every time you shop, a donation will go to
St. Andrews – at no cost to you

We all swipe our market club cards from Albertson's, Ralph's or Von's to receive store savings when we shop. But by taking a minute to register your cards, another good thing will happen every time you swipe. A donation equal to a percentage of your purchases will be sent to St. Andrews – and it won't cost you a penny.

All you have to do is fill out the simple form on the reverse side and return it to the Market Club Card/Scrip table on the upper patio after the Sunday service.

Sign up today.

Your supermarket will give every time you swipe!
